### Gateway to the Miraculous

Further Explorations in the Tao of Cheng Man-ch'ing

By Wolfe Lowenthal

"It is so inspiring to find someone who can put the subtle and powerful concepts of T'ai Chi—so unlike our western thinking—into words. Wolfe Lowenthal makes accessible the thoughts and wisdom of Professor Cheng, persuading very different versions of reality to perch in the palm of one's hand, unlocking new understanding. This is a remarkable thing for those who never had the opportunity to know Professor and his senior students. Even more remarkable is Lowenthal's ability to link the principles and inner teaching of T'ai Chi with ordinary life and our evolution as human beings."

### Dream Yoga and the Practice of Natural Light

Namkhai

Edited and Introduced by Michael Katz

In Dream Yoga and the Practice of Natural Light, Norbu Rinpoche gives instructions for developing clarity within sleep and dream states. He goes beyond the practices of lucid dreaming that have been popularized in the West, by presenting methods for guiding dream states that are part of a broader system for enhancing self awareness called Dzogchen. In this tradition, the development of lucidity in the dream state is understood in the context of generating greater awareness for the ultimate purpose of gaining liberation.

Namkhai Norbu is a Tibetan master of the Dzogchen tradition. He is a professor at the Oriental Institute of the University of Naples, Italy.

Michael Katz is a psychologist and certified Yantra Yoga instructor. He has practiced Tibetan Buddhism and Dzogchen since 1974. 125pp
